* The calculating of 'valued added' nationally ensures that average progress is zero.

Average Progress is calculated using a value added measure from KS1 to KS2.

The Government's Progress Floor Targets for KS2 = Reading -5.0, Writing -7.0, Maths -5.0.

Progress scores will be centred around 0, with most schools within the range of -5 to +5.

- A score of 0 means pupils in this school on average do about as well at KS2 as those with similar prior attainment nationally.
- A positive score means pupils in this school on average do better at KS2 than those with similar prior attainment nationally.
- A negative score means pupils in this school on average do worse at KS2 compared to those with similar prior attainment nationally.
