30<sup>th</sup> January 2026

### YEAR 2 VISIT TO CAMBRIDGE SCIENCE CENTRE

The first group of Year 2 children enjoyed heading off in the minibus to the Cambridge Science Centre on Tuesday. They took part in a brilliant 'Senses' workshop, learning about how humans perceive the world through their five senses. After the workshop, the children had the chance to explore the interactive science exhibits, including activities on light, engineering & biology.

It was an excellent trip, & we are very much looking forward to taking the next group of Year 2 children. The cost of the entrance fee, for both groups, was very kindly donated to the school, for which we are extremely grateful.

## ROBINS CLASS

Things turned a little bit chilly in Robins' class this week!!

There was much excitement as the children recreated the North and South Pole in the tuff tray.

They learned about the differences between the Arctic and Antarctica and the children were experts at sorting the animals into their regions.

## WORLD BOOK DAY

World Book Day celebrates the joy and value of books and reading, especially for children. To encourage and help them on their reading journey, every child will receive a £1 book token which can be exchanged for one free World Book Day book or £1 off a book costing £2.99 or more. You can find out more information about this on the token given or the World Book Day website.

We are inviting children to come to school as a book character Friday 6<sup>th</sup> March. Every class will be taking part in book related activities. The children will be encouraged to explore different books and to see which ones catch their imagination!

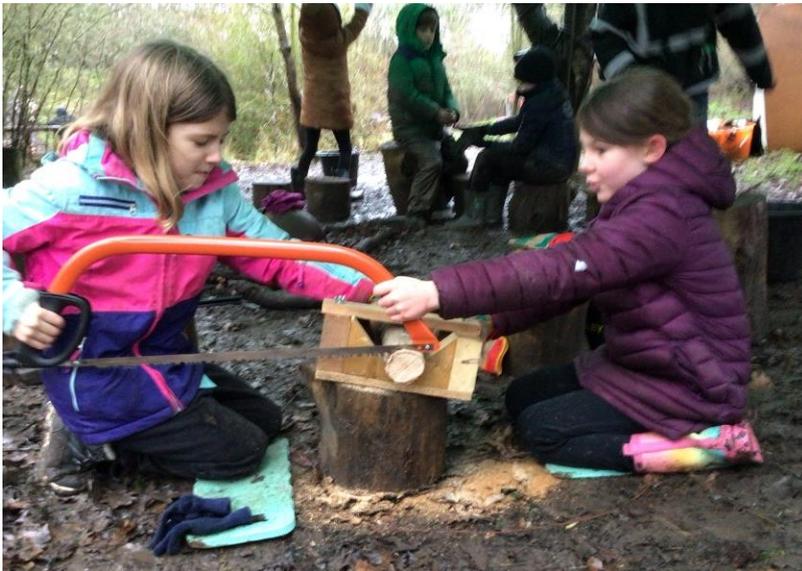

Please do not feel that you should go out and buy a costume - the whole idea is for children to think about character costumes they could create using their imagination and items they already have at home - it gives the children to think of all the different books they have read or seen on shelves and what is manageable and adaptable by using their imagination - it is definitely NOT necessary or in any way expected (or encouraged) for this event to cost our families money through costume buying.

## MUD GLORIOUS MUD!

There's no such thing as bad weather, only bad clothing...

Year 3 proved this to be true at forest school this week. Dressed in old clothes, waterproofs & wellies, they fully embraced the weather & had a fantastic time getting stuck in to their learning.

## Free Healthy Relationship courses for parents

All relationships have their ups and downs, but if parents are regularly arguing in front of their children, it can have negative and lasting consequences. Help is available for parents who want to communicate in a healthier way. Family Hubs are running courses to support parents who would like to improve the relationship with their partner or ex-partner.

Courses bookable directly via the QR code.
