

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<p>Ensure children are fit and healthy by ensuring: all Children have 2 hours PE a week; children are active throughout the school day and all children have the opportunity to be involved in competitive sport.</p> <p>Provide forest schools to all year groups to build resilience and encourage children to challenge themselves.</p> <p>Ensure sufficient good quality and varied equipment for teaching PE.</p> <p>Ensure teachers have regular CPD.</p> <p>Provide leadership opportunities for children.</p> <p>Provide first aid training for all children.</p>	<p>Children are fit, healthy and active</p> <p>Children are more resilient and challenge themselves.</p> <p>Teaching is deemed at least good in all PE lessons.</p> <p>Children can take responsibility to lead PE and sports events and so become confident leaders.</p> <p>Children are aware of basic first aid.</p>	<p>Kettlefields has a reputation for being a school that values physical education and sport.</p>

<p>Achieved the Platinum Sports Mark.</p> <p>Regularly promote sports events in the newsletter and assembly.</p> <p>Year 6 sports week and pony academy.</p> <p>Provide a range of extra-curricular clubs.</p>	<p>Children feel their efforts are rewarded and feel motivated.</p> <p>All parents and children are aware of what sports competitions we have taken part in or know where to find this information.</p> <p>Younger children are enthused and inspired to follow in older children's footsteps.</p> <p>Children are inspired to join clubs outside of school.</p> <p>Extra-curricular clubs are well attended.</p> <p>Children have the opportunity to try different sports. All children can be actively involved in a sport that they enjoy.</p>

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<p><i>Swimming- This has been a huge success this year. We have moved to a two- week intense course for year 2 and year 5.</i></p>	<p><i>Moving to a two- week intense course has allowed pupils to progress much more than previously seen. Non- swimmers were swimming by the end of the course and weak swimmers had grown in confidence. This was all based around the National drowning prevention week. Out of the water activities developed pupil's awareness of the dangers of water and how to save themselves.</i></p>	<p><i>Pupils have much more confidence in water and know what to do in an emergency.</i></p>
<p><i>In Spring 2 we hosted a healthy half term which included active learning, active travel, healthy eating and additional activities such as E safety.</i></p>	<p><i>Pupils are more aware of how to keep themselves healthy.</i></p>	<p><i>Pupils are well rounded and know how to keep themselves healthy.</i></p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	Year 6 2019/20 71% Year 6 2020/21 83% Year 6 2021/22 88% Year 6 2022/23 81% Year 6 2023/24 87% Year 6 2024/25 94%	
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	Year 6 2019/20 71% Year 6 2020/21 83% Year 6 2021/22 88% Year 6 2022/23 81% Year 6 2023/24 87% Year 6 2024/25 94%	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	Year 6 2019/20 71% Year 6 2020/21 83% Year 6 2021/22 88% Year 6 2022/23 81% Year 6 2023/24 87% Year 6 2024/25 94%	

<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes- not this year</p>	<p>Where we have capacity, we prioritise those that have not met the swimming objectives the opportunity for catch up swimming.</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes</p>	<p>NRASTC life -saving award for 2 members of SLT to support with swimming.</p>
